Thursday 2nd April 2026

Dear Parents and Carers,

St George's Day – Thursday 23rd April

We are pleased to share that Barnsole Primary School will be marking St George's Day on **Thursday 23rd April**. This year, we would like to offer children who attend Scouts (Squirrels, Beavers or Cubs) or Girl Guiding (Rainbows, Brownies or Guides) the opportunity to come to school wearing their special uniform.

St George holds special significance within the Scouting movement, as Lord Baden-Powell chose him to be the patron saint of Scouts. He believed that St George's Day should be a time for Scouts to reflect on the Scout Promise and what it means to be a member of the movement. Traditionally, this day is celebrated by Scouts coming together, renewing their Promise and recognising the values they share.

By inviting children to wear their Scout or Guiding uniforms, we hope to celebrate this important tradition and recognise the commitment, teamwork and community spirit that these organisations encourage.

Children who do not attend Scouts or Girl Guiding should come to school in their normal school uniform, as this is not a non-uniform day.

Thank you for your continued support.

Yours sincerely,

Mr J Smales
Headteacher
